ITS OWN MOTION INVESTIGATING THE  
FAILURE OF TRUXTON CANYON WATER  
COMPANY TO COMPLY WITH  
COMMISSION RULES AND REGULATIONS.

DOCKET NO. W-02168A-10-0247

**STAFF'S MOTION FOR AN EXTENSION  
OF TIME RE: DIRECT TESTIMONY**

By Procedural Order dated September 2, 2010, the Arizona Corporation Commission established a procedural schedule for this case. Under the schedule, the Utilities' Division's ("Staff") Direct Testimony is due on October 18, 2010. Staff respectfully requests additional time for the filing of its Direct Testimony.

Staff issued a set of data requests to Truxton Canyon Water Company ("Company" or "Truxton Canyon") on September 7, 2010. Due to the type and breadth of information sought, Truxton Canyon was able not provide responses to the data requests until October 1, 2010, over twenty days after it was sent and received. Based on the Company's responses, Staff has issued additional data request sent to the Company on October 4 and 5, 2010.

Additionally, Staff has been attempting to coordinate a site visit with the Company and the Arizona Department of Environmental Quality ("ADEQ"). However, as of October 7, 2010, an agreement as to the date of the visit has yet to be made. The site visit is important to allow Staff to review the infrastructure of the Company, as well as to verify the Company's assertions that actions have been taken to become substantially in compliance with the Commission's Rules and with ADEQ.
